

# 2016 SPRING WINGDING

*Celebrating the return of the spring migrants*

**Teacher Workshops by Cornell University**

March 10<sup>th</sup>-11<sup>th</sup> 2016

The **Cornell** Lab  of Ornithology

## BirdSleuth K-12

### WHAT

Cornell's Lab of Ornithology will hold two workshops in Glen Rose for educators to incorporate bird science into the classroom. TEA approved curricula for 6 science and math CPE credits per workshop (12 total).

### WORKSHOPS

**March 10<sup>th</sup> - Most Wanted Birds**

[www.birdsleuth.org/event/most-wanted-birds-wingding/](http://www.birdsleuth.org/event/most-wanted-birds-wingding/)

**March 11<sup>th</sup> - Habitat Connections**

[www.birdsleuth.org/event/habitat-connections-wingding/](http://www.birdsleuth.org/event/habitat-connections-wingding/)

### GOAL

To gain a greater understanding of and confidence in teaching bird identification, bird biology, habitat improvement and citizen science tools.

### LOCATION

Somervell County Expo Center  
202 Bo Gibbs Blvd, Glen Rose, TX 76043  
254.897.4509

### COST

The registration fee is \$125.00 per workshop, and includes a curricula kit, plenty of hands-on activities, a short bird walk, and a lunch.
